### Are you an Atheist?

A young woman teacher with obvious liberal tendencies explains to her class of small children that she is an atheist. She asks her class if they are atheists too. Not really knowing what atheism is but wanting to be like their teacher, their hands explode into the air like fleshy fireworks. There is, however, one exception. A little girl has not gone along with the crowd. The teacher asks her why she has decided to be different. "Because, I'm not an atheist." Then, asks the teacher, "What are you?" "I'm a Christian." The teacher is a little perturbed now, her face slightly red. She asks her why she is a Christian. "Well, I was brought up knowing and loving Jesus. My mom is a Christian, my dad is a Christian, and my grand parents are too, so I am a Christian." The teacher is now angry. "That's no reason," she says loudly. "What if your mom and your dad were idiots. And what if your grand parents were idiots? What would you be then?" She paused, smiled and said, "Oh, I guess that I'd be an atheist!"

### Children's Easter Craft Packs
