**Why God made Eve**

- God was worried that Adam would frequently become lost in the garden because he would not ask for directions.
- God knew that one day Adam would require someone to locate and hand him the remote.
- God knew Adam would never go out and buy himself a new fig leaf when his wore out and would therefore need Eve to buy one for him.
- God knew Adam would never be able to make a doctor, dentist or haircut appointment for himself.
- God knew Adam would never remember which night to put the garbage on the curb.
- God knew if the world was to be populated, men would never be able to handle the pain and discomfort of childbearing.
- As the Keeper of the Garden, since he didn't have metal sheds or greenhouses, Adam would never remember where he left his tools.
- When God finished the creation of Adam, He stepped back, scratched His head and said, "I can do much better than that!"
